NO. 1 TITIE PUBLIC.

It having come to our knowledge that one Silas H. Kennedy has opened an office or store on Customhouse street—No. 78—under the office of C. Roselli, Eng., and has painted on the door post the name of Silas H. Kennedy & Co., it having also come to our knowledge that the said concern are using the name of S. H. Kennedy & Co., and that goods are coming to their address under that name—we deem it proper to give this public notice that the said firm is wholly unknown to us; and in order to prevent confusion or mistakes here or elsewhere, and without further commenting upon the somewhat singular fact that they should see fit to refer to themselves as S. H. Kennedy & Co., and not as Silas H. Kennedy & Co., we now give this notice that they have no connection in any way with our firm, (established in 1843), now located at No. 55 and 57 Poydras street, and for the past twenty-nine years engaged in the Western produce commission business.

We respectfully ask the newspaper press, here and elsewhere, to call attention to this statement.
